

Hello Oak class,

I am missing you all SO much and cannot wait until we are all back together again. ☺ You are all doing amazing. I am super proud of you.

I hope you all have had a lovely Easter break and didn't eat too much chocolate. As you all know, chocolate is my favourite treat and I certainly ate way too much but I didn't want to upset the Easter bunny! What did you get up to over the Easter holidays? It makes a big difference to have such wonderful weather. I have been making the most of the lovely weather on my daily exercise trips, working outside in the sunshine and reading thrillers in the garden. Miss Down has kindly let me borrow her bike to use for my daily exercise. I know some of you have been out and about on your bikes because I have been sent some fantastic photos. It would be lovely to see some more photos! Year 2, your pic collage was fantastic. It was great to see all of your smiling faces. Did you like the teacher's video and pic collage?

Have you got any new hobbies or learnt any new skills whilst you have been off? As well as getting back on a bike and mindful colouring, I have been trying to do some yoga. It has made me miss doing cosmic yoga with you all in school. Who knows, by the time we get back to school I could be a yoga extraordinaire! Let's do a class challenge over the next couple of weeks by learning a new skill or taking up a new hobby. You could send me a picture of yourself doing this! I will join in too and set myself a challenge of baking.

We have put some more home learning activities up for you and I hope you have been enjoying some of the activities. Remember to just continue to do your best! Reading, writing and maths would be fab with singing/dancing breaks in between of course!!

Keep smiling, helping out at home and looking out for each other. I miss you all lots.

Love from, Mrs Bergh xxx

Enjoying mindful colouring, seeing my grandparents through the window on my daily walk and me being silly ☺
