Dear Parents

Can we please remind you we are a nut/peanut free school! We have both pupils and staff who suffer from severe nut/peanut allergies which can develop a severe, potentially life-threatening allergic reaction. It is not just eating them that can cause a severe reaction, just being touched on the skin or smelling the breath of someone who has eaten them can trigger anaphylactic shock.

First aid staff in the school are trained to use the Epi-pens, an injection of adrenalin, which is required immediately if this happens.

We cannot have nuts in school in any form.

I'm sure all members of our school community recognise the importance of this but if you have any questions, please do not hesitate to speak to a member of staff.

Yours sincerely

Mr A Ramsden
Headteacher
