5th September 2022

Dear Parents

On behalf of all the staff and Governors welcome back to the start of what promises to be another exciting and eventful year at Oxton St Saviour's school.

It has been great to welcome the children back to school after the break and today, during my collective worship, we talked once again about how important all of the children and adults are to our team and all the things we can do to make our school the very best it can be. We reinforced our school rules of **Ready, Respectful, Safe** to start the year as we mean to go on.

Over the holidays there has been extensive electrical work done on the whole school. The cost was over two hundred thousand pounds. This was a much needed update.

On Thursday and Friday we had two successful 'in-service' training days. The staff worked hard to establish appropriate targets and learning challenges for the children so that we are able to offer the support necessary for all the children to achieve their personal potential. Our main priority has been, and continues to be, to look for ways to enhance and extend the excellent quality of teaching, learning and care provided for the children.

A very special welcome goes to all of the new children and their families, who will be joining us for the first time. Also to: Miss Webber in year six and teaching assistants Mrs Hill, Miss Quilty and Miss Webber. We are all looking forward to working with them.

Yours sincerely

Andy Ramsden
