4th November 2022

Dear Parents/carers

Welcome back and I trust you had a good break. We have lots of exciting things planned for the children this half term. All of the dates are on the school website and we will endeavour to share any activities that have happened during or after school through the gallery and news sections at the bottom of the home page. This week Reception children went to Church to get their teddy bears baptised by Reverend Jo. Check out the pictures in the gallery. I will also be writing a weekly blog celebrating what has happened in school. The weekly behaviour and excellent work certificates presented to the children will also be posted every Friday and the School Council will be going around each class asking what they have enjoyed this week.

We have plenty of PE fixtures arranged. So far we have booked for this half term: Year Three and Four tag rugby, Year Five and Six tag rugby, playground leader training for Year Six, Year Three and Four dodgeball, Year Five and Six five-a-side football and a futsal tournament at Tranmere.

The football and sports kits are looking a bit tired at the moment. The last one was purchased in 2018, when I first started. If you would be interested in sponsoring a kit or if you know of anyone who might be could you please let me know? It is important that we always look our best when representing the school.

Finally, we have put No Stopping cones outside of the school on the double yellow lines to discourage parents from parking there. This also includes dropping off. For the safety and safeguarding of our children can you please respect this and also not park further up the road or on the pavement opposite the school? We have had numerous complaints from local residents regarding the parking as well as our own concerns about the safety of the pupils from dangerous parking.

If you need to contact your class teacher please use the class e-mail which is on the home page of the school website. These are checked regularly by staff, but not during the school day when they are teaching. If you are reporting an absence or need to speak to someone urgently please telephone the school office.

Kindest regards

Mr Ramsden
